COFFEE WHOLESale USA ADDS INVENTORY

Coffee Wholesale USA expands existing product line offering more coffee, tea, hot cocoa and equipment just in time for winter

RICHMOND, VA (DECEMBER 16, 2009): [Coffee Wholesale USA](http://www.cw-usa.com) (www.cw-usa.com) is excited to announce the addition of two new brands to the site, Wolfgang Puck Coffee and Ghirardelli Hot Cocoa. Additionally, CW-USA is pleased to announce the expansion of their existing product line to include new equipment by Bunn® and Bloomfield® as well as additional hot beverages. Bigelow Tea and Timothy's Coffee K-Cups are popular items for CW-USA customers; therefore, the current product line has been expanded to include all of the newest flavors.

"We are very excited about the new brands we've added. Wolfgang Puck and Ghirardelli make delicious gourmet coffee and hot cocoa," said Chris Deel, Managing Director of eBeverage Wholesale. "Wolfgang Puck brings another great tasting coffee pod to our single serve selection, and Ghirardelli presents a wider variety of hot cocoa flavors such as chocolate hazelnut, chocolate mocha and white chocolate mocha. We are sure our customers will be pleased with these additions to our site."

The newest additions to Coffee Wholesale USA's product line are:

- [Bunn](#) JDF-2 S 2 Flavor Gourmet Cold Beverage System
- Bunn Ultra-2HP Gourmet Ice Granita Machine
