COFFEE WHOLESale USA ADDS INVENTORY

Coffee Wholesale USA has added new brands and built on existing product line

RICHMOND, VA (MARCH 18, 2010): [Coffee Wholesale USA \(www.cw-usa.com\)](http://www.cw-usa.com) has expanded their inventory to include new brands such as Illy Caffe, Lavazza, Mighty Leaf Tea, Minimoos Liquid Creamer, Sugar In The Raw and Proctor Silex. In addition to adding new brands to their product line, they have continued to grow their existing inventory to include the Starbucks VIA, the single serve instant coffee packet which is perfect in a time crunch or on the go. Also, the Hamilton Beach collection has grown to include affordable grinders, cappuccino/espresso makers and a Juice Extractor.

"We are very excited about the new home equipment we have added. These are great quality machines with very reasonable price tags," said Chris Deel, Managing Director of Coffee Wholesale USA. "We are also pleased to offer Illy and Lavazza, two well known Italian coffee brands that will add diversity to our current stock and will certainly bring a new range of customers."

The newest additions to Coffee Wholesale USA's product line are:

- Minimoos Liquid Creamer
- Sugar In The Raw
- Starbucks Via
- Illy Caffe Coffee
- Mighty Leaf Tea
- Lavazza
- Proctor Silex 12 Cup Coffee Maker
