A Richmond-based private equity group has purchased another yoga company.

Boxwood Capital Partners yesterday purchased [Yoga Accessories](#), which sells yoga and meditation/wellness supplies to studios and yoga enthusiasts, for an undisclosed sum.

This is Boxwood's second yoga-related move in a month.

In November, Boxwood purchased YogaDirect.com, which manufactures and sells yoga supplies such as mats. (You can read more about that in a BizSense story [here](#).)

Yoga Accessories will operate three websites: [yogaaccessories.com](#), [yovedic.com](#) and [yogaria.com](#).
